Community Program

SOUTHS COMMUNITY PROGRAM

At Souths Leagues Club and Souths Suburban Bowls Club, we strongly believe that the heart of our Clubs lays within our valued members and the Mackay community. The main focus is to give back to those who need it and for those who support our Clubs and make it successful. The Souths Community Program primary goal aims to support the Mackay community and re-invest into those who contribute positively to our two Clubs. Souths Clubs supports; charities, non-profit organisations, schools, sporting clubs or those with limited resources via raffles, donations, sponsorships, gift cards, room hire, use of field and facilities and our professional assistance and guidance.

TOGETHER WE CAN DO SOMETHING

As of December 2020, Souths Clubs is committing to the Souths Community Program as a project to support our Mackay community and we invite you to participate on this journey along with us. Help us, Help the community.

SOUTHS VISION

Our vision is to provide opportunities for people to enjoy life through various activities and recreation. We want to create a culture of goodwill, where people appreciate each other's endeavours and are happy to reciprocate with gestures and good wishes. We are happy to welcome all of these people into our venues and will be proud to call them our friends and family and treat them as such.

HELP US, HELP THE COMMUNITY

The facilities and organisations we create and nurture are there for the good of all those who support us. Whether we are running a club, or offering other facilities to the community, we do what we do in order to provide better opportunities to those in the community, their families and their friends. We enjoy giving back in whatever form it takes - whether it is our time; on the pitch, in the boardroom or with a guest in the bar - money required to keep sports and clubs thriving or charities supporting and facilities that are designed to enhance peoples lives.
