You automatically have access to Souths Hooked Reward Points when you become a Souths member. Souths Hooked Rewards Points will accrue when you swipe your card each time you make a purchase within Souths clubs, e.g., food, beverages, gaming etc.

Earn points and make your way through Bronze, Silver, Gold, Diamond and Platinum tier levels just by playing the gaming machines, or by purchasing something to eat or drink in our clubs.

You can swipe your Souths card at the kiosk & follow the prompts or ask one of our friendly staff members for assistance.

How much are Rewards Points Worth?

Souths Reward Points for example 1000 Points = \$10 and points expire 12 months from the accrual date.

How do I spend my Rewards Points?

You can redeem your Rewards Points at the kiosk. Points can be used for purchasing food, beverage, show tickets, membership renewals and other offers that may be made available throughout Souths. Simply present your membership card and ask to pay by points.

Can I move into other Hooked Rewards Levels?
